MEDICAL WASTE TRANSPORTER/HAULER

ANNUAL VERIFICATION AND CONDITIONS

February 29, 2016

The California Department of Public Health, Medical Waste Management Program (Department), has confirmed your company is currently registered as a hazardous waste transporter with the Department of Toxic Substances Control (DTSC) and verified your company is contracted with a permitted medical waste transfer station and/or treatment facility. The Department has also verified that your company is using a medical waste tracking document per CA Health and Safety Code (HSC) Section 118040. You are required to maintain your registration as a hazardous waste transporter and to abide by the conditions outlined on the enclosed page per HSC Sections118000 – 118040.

Transporters of medical waste who maintain their annual hazardous waste transporter registration with DTSC and submit medical waste hauling reports quarterly to the Department will be added to the list of current medical waste transporters provided on our website.
